

Fresh colours and playful patterns mingle here, infusing this space with a lively rhythm. The curvy upholstered valance, projecting out from the wall, defines the sheltered nook and provides a canopy from which to hang a delicate light fixture. A take-no-prisoners art wall adds personality, while straight-hung panels enclose the area, creating a nesting cocoon of comfort.

ROOM DESIGN: Lucia Trillo, luciatrillo.com; **CEILING:** DAYBED & CANOPY FABRIC in Robins Egg, Ferns, Moss, fernickmatt.com.

THE DECORATED DAYBED

NOT JUST FOR SUGARY-SWEET PRINCESS ROOMS OR SPACE-LIMITED STUDIO APARTMENTS, THIS MULTI-TASKER IS A TRUE DECORATOR CLASSIC.
